FACULTY OF TECHNOLOGY**

PROJECT DISCRPTION

- Online Banking system provides us specifically developed for online banking for Balance Enquiry, Funds transfer to another bank account in the same bank , Request for cheque book, Request for passbook,change address ,mini statement,transaction ,Minor to Major account convert.
- The traditional way of maintaining details of a user in a bank was to enter the datails and record them every time the user need to perform the necessary action,which may not be so feasible all the time.It may be a hard task for the users and the bankers too.
- The online banking project gives real life understanding of online banking Syestem and activities performed by various roles in the supply chain.
- Here, We provide an automation for banking project captures activities performed by different roles in real life banking which provides technique for maintaining the required information up-to-date , which results in efficiency.

3. LOGIN PAGE

The screenshot shows a web application for 'Home Bank'. At the top, there is an orange header bar with social media icons (Facebook, Twitter, Google+, LinkedIn) and a phone number '+021 365 777'. Below the header, the page title 'Home Bank' is displayed, followed by a navigation menu with links: Home, Account, Transfer, Features, and Logout. The main content area is titled 'Transfer Amount Form' with the subtitle 'Please Fill Up This Form For Transaction'. Below this, there is a form with two input fields: 'Account no:' with a placeholder 'Target Account Number' and 'Amount:' with a placeholder 'Amount'. A green button labeled 'Transfer' is positioned below the 'Amount' field. A red 'Cancel' button is located at the bottom left of the form. The footer section is dark and contains three columns of text: 'About Us' with a paragraph of placeholder text, 'Contact Us' with contact details (Address, Phone, Email, Fax), and 'Follow us' with social media links for Facebook, Twitter, GooglePlus, and Pinterest. The footer also includes a copyright notice '© 2020 Home Loan. All Rights Reserved' and a 'Follow us on:' section with social media icons.
